

Ever thought of hiring a seasoned ex-CIO as an advisor / mentor to the CEO or CIO?

Are you, the CEO, worried about your IT Department

Are you, the CIO, worried about your ability to get business buy-in to your strategy

Bring in an ex, successful CIO

Let them help the CEO get concerns across to the CIO

Bridge the 'gap' between the CEO and the CIO

Help the CIO talk in language the business will understand

We bring in seasoned, highly successful individuals, for a short period of time

Our 'seasoned professionals' install short-term fixes and solutions, whilst planning for long-term sustainable change in the IT division

We ensure knowledge transfer and make ourselves redundant in as short a time as is feasible

OUR HOURS ARE YOUR YEARS
