

Senior Pastor Lawrence Pelham & Associate Pastor Gail Stallings-Minor

Bishop Latrelle Easterling

Greetings!

We are excited to have Bishop Easterling hosting her 1st Bishop's Days on the District here in the Peninsula-Delaware Annual Conference. These events will be in person AND online as a hybrid format. Bishop will be present for two events on each district. Each of those events will be available online in zoom format as well. Each presentation will be the same at both times and on each district, so you may choose to attend any one of the six events. Each event will have a question and answer time. If you can not make one of the six events, the Bishop's presentation minus the Q&A will be made available on the conference website. The in-person events will be limited in number so as to adhere to COVID-19 protocols. Please register for a date and time by clicking the appropriate link below. You will receive a confirmation email for the event you selected. If you select an online version, you will receive a zoom link in your confirmation.

We will be accepting questions from both in-person and online attendees.

If you are having problems registering or if you do not receive your confirmation with your Zoom link within 24 hours of registering, please contact Christine Trott at ctrott@pen-del.org.
