## POWERHOUSE SHAMPOOER

Just add 100 ml of carpet shampoo concentrate, 200 ml of **EnviroNize™ Catholyte** degreaser detergent, 700 ml of tap water and turn it on. Instantly the **Enviro-Foamer™** turns the solution into super thick, long-lasting foam. This air-driven foam gun works with your air compressor to produce **FROTHY, RICH FOAM** that has amazing cling.

The **Enviro-Foamer™** can be used for interior carpets and upholstery. Change out the concentrate with the same amount of a wash and wax concentrate and get the same effect for fast and effective exterior detailing. Wheels and Tires are no problem for **Enviro-Foamer™** again just change out the concentrate with the same amount of a wheel and tire concentrate. **AMAZING and FAST results!!!**
