& USE**

POWERHOUSE TOOL with **CLEANING & DISINFECTING** POWER

The **EnviroNizer™** removes bacteria, spots, stains, ground-in dirt, and spills quickly and efficiently. The pneumatically driven spray nozzle rotates at very high speeds during operation to create a powerful spray and suction funnel, making the **cleaning extraction and disinfecting** processes **LIGHTNING FAST**. The Ultra Fine Mist Sprayer c/w/with orbital high-speed tip for powerful misting. **CLEANS** and **DISINFECTS** - **A MUST HAVE TOOL**. From car interiors to cleaning and disinfecting floor mats, air conditioning systems and cabin filters ... **a Detailer's Dream!**
