

# STORIES & SOUNDS

AN INVESTIGATIVE AUDIO ADVENTURE DOCUMENTING  
LEGACY, BROUGHT TOGETHER BY THE MYSTERY OF MUSIC.

Nashville, TN, August 14, 2024

Nashville native, Jonas Litton, is thrilled to announce his new podcast, *Stories & Sounds* ([storiesandsounds.show](http://storiesandsounds.show)).

*Stories & Sounds* thoughtfully curates tales from both distant and recent music history, familiar and obscure, to unpack the mysteries contained within. From interviews with big industry names, like Vince Gill, Amy Grant, Ben Folds, They Might Be Giants, and more, to deep-dives into dusty internet corners, each episode uniquely carves listeners a path through narrated and soundscaped storytelling.

The podcast is targeted to music lovers and pop culture enthusiasts, but can be enjoyed by any podcast fan looking for a good story to get wrapped up in.
