

## I have the Right to...

## I will respect this right by...

I have the right to believe what I choose, and to practise my religion.	I will respect this right by letting others believe what they choose, even if their beliefs are different to my own.
I have the right to play and relax	I will respect this right by working hard in lessons, and playing and relaxing in my break times.
I have the right to be educated. My education should help me achieve my best and express my talents.	I will respect this right by trying my best and listening to others  I will let other people get on with their work

At Selly Park we are a GOLD Rights Respecting School. Watch the videos to find more about your rights and how we promote these at Selly Park.

Possible tasks:

- Create a table of rights and how we respect them. For every 'Right' you hear in the video write how this Right can be respected. (Example to the left)
- Make your own 'Rights Respecting Song' using the above two videos as inspiration.
- Create a poster including information of your Rights and how these should be respected.

Whatever you create, send it or a picture of it to [transition@sellyparkgirls.org](mailto:transition@sellyparkgirls.org)

We look forward to seeing what you produce!
