

SNAKE OBSERVATION PROTOCOL

Be vigilant!

Report snake observations immediately!

1

- Remain calm and warn anyone in the immediate area
- Keep an eye on the snake from a safe distance
- Do not catch or kill the snake
- Don't harass the snake

2

- Notify Security or the Safety Officer
- Calmly wait on-site for a snake handler while keeping an eye on the snake
- If possible enclose the snake by closing doors, windows and placing towels under the doors

3

- Provide the snake handler with the required information like the last known location, description, and size

FIRST AID:

When a snakebite has occurred follow the Snakebite Protocol and contact your First Aider immediately. Alternatively, arrange immediate transportation to the nearest hospital.
