

# SHOWCASE PIECE INFORMATION

## ENSEMBLE FESTIVAL

**Purpose:** To allow students who do not have a piano ensemble partner to participate in the Ensemble Festival. Showcase Piece selections are updated each year and the student need only learn the Primo or Secondo part of the piece that corresponds to their playing level. The student will then be paired up with a partner on the day of the performance and perform in an ensemble group with up to 10 participants playing the same piece.

**Please note:** *Showcase Piece participants must be available for a group rehearsal on the day of the event 30 minutes prior to their recital time. The Showcase Piece will only be performed at ONE recital time, which will be determined and announced before registration begins.*
