## ESG Statement

At Wantage Chamber of Commerce, we are committed to fostering sustainable practices, promoting social responsibility, and prioritising good governance. Through collaboration and advocacy, we strive to create an inclusive and resilient business environment for the wellbeing of our stakeholders.

## Chamber Objectives

- To help grow your business and implement initiatives to improve footfall within the Wantage area.
- To promote Wantage town centre within the Oxfordshire community as a vibrant and dynamic retail, dining, and entertainment destination.
- To act as a business catalyst and lobby your views to local and district councils, trade organisations and any other government bodies, hold them to account and initiate change to add value to your business.
- To hold special meetings when matters of public interest arise and consider the same from the Chamber's point of view.
- To encourage and lobby appropriate partners and retail companies to bring their business's to Wantage and highlight the advantages of Wantage being a great retail destination.
- To be recognised as an influencing body within the community to drive business prosperity for all members of the chamber.
