

A Clear Focus.

**Victory Health Partners
2019 Annual Report**

As Victory transitions from 2019 to 2020, the ministry moves into the new decade with a clear focus for the days ahead. From every staff member, volunteer and within the Board of Director, there is an agreement of the focus and purpose of Victory Health Partners. It is within every appointment, conversation and interaction Victory has with our patients that God has perfectly positioned the clinic to make the greatest impact possible.

With over 100,000 of our neighbors without access to affordable and quality healthcare, the need for Victory's mission remains. But as the need remains, Victory remains steadfast with undivided attention and unwavering commitment to the mission that God has placed in the hearts of each staff member, volunteer, partner and you, our faithful supporters. We have clear clarity on our purpose each and every day. To effectively serve each patient who walks through our doors by providing the highest standard of healthcare with dignity. And most importantly, we share the love of Jesus through our compassionate care. It is our prayer that you will see in the pages of this annual report the impact you have made within each of those lives. Our patients have hope for their futures and healing, because of you.

MISSION STATEMENT

As a witness for Jesus Christ, Victory Health Partners exists to minister to the physical, emotional and spiritual needs of the medically under-served by providing affordable, quality health care services. We recognize that God is the True Healer and the source of all. We seek to know Jesus Christ, His Son and to make Him known.

*suffering, because we
produces endurance,
duces character, and
pe, and hope does not
sint us."*
Romans 5:3

*"I delight in weakness, in insults, in hardships,
in persecutions, in difficulties. For
when I am weak, then I am strong."*

II Corinthians 12:10

*"Jesus Christ is the same
yesterday and today and forever."*

Hebrews 13:8

“Serving the less fortunate among us is an example modeled by Jesus himself. In our case, we humbly try to follow that example in the field of Healthcare. I pay tribute to every donor, volunteer, staff member and the Board of Victory Health, for their dedication and commitment to the fulfillment of our Mission.

Through the healthcare we provide to our uninsured and under-insured neighbors in over 44 counties in Alabama, Mississippi and Florida, we get to share the love and compassion of Jesus every day. This is a ministry, dedicated, to providing healing and hope through healthcare. “Thank you, for partnering with us as we serve those in need, through Victory Health Partners.”

A Word from Dr. Robert Lightfoot

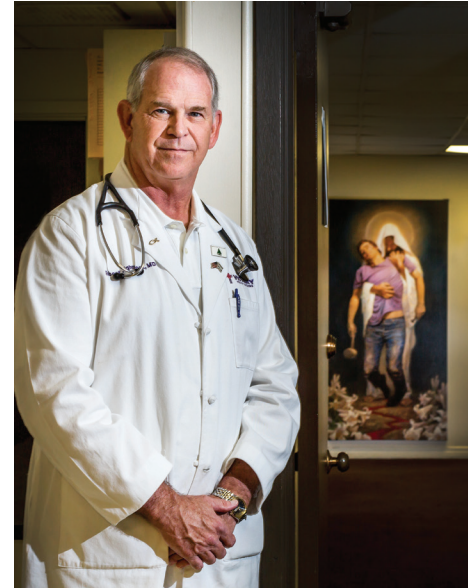

As we look back at 2019, I must first thank each and every one who has supported Victory with your prayers, time and financial support! Without each of you, Victory could not have experienced the success that came from the past year. Last year has been a year of great transition, but God is in the transition. Now with the proper people in the right places, pursuing God in everything we do each day; we have witnessed the incredible provision of God touching the lives of the thousands we serve. We can testify to God's healing – physical, emotional, and spiritual – in their lives. As from Day 1, we proclaim, "God is in this place!"

I strongly believe that now we are positioned to move ahead for the next years and decades. But the Lord impressed on my heart, that to have significance, we must concentrate, desire and seek with all we are and in all things the "one thing" of Psalms 27:4. We must seek Him and His Presence "all the days." He is our source of all.

Thank you again for the significant impact you make within the lives of our patients.
Blessings upon blessings!

Robert D. Lightfoot, M.D.
Founder and Executive/Medical Director

The Next Step in Healthcare: Our Medical Partners

Partnerships is purposefully placed in Victory's name from our inception because we knew that without our medical partners, Victory would not have the capacity to care for the complete needs of our patients. Victory has a network of over 150 partner specialists who will examine and treat in their own offices for an affordable fee. Specialty partnerships range from cardiology, chiropractic, orthopaedic, oncology, podiatry, dermatology and more. These partnerships provide the next step of healthcare for our patients that was previously too expensive. In 2019, the estimated value of the specialty care provided to patients was over \$20 million. One of the unforeseen blessings from these partnerships is the dignity restored to our patients as they felt like they were treated like 'everyone else' at the specialists' offices.

The Living Stone Society

"You also, as living stones, are being built up as a spiritual house."—1 Peter 2:5

The Living Stones Society was created to honor individuals and families contributing collectively \$1,000 annually. It is their spirit of generosity, personal investment and compassion that we established the Living Stones Society. In 2019, you impacted the lives of thousands of our patients. Because of you and your significant generosity, our patients find healing for their broken bodies and hope for their weary hearts.

“This was the best healthcare I ever received. When my husband and I were self-employed and did not have health insurance, I came to Victory Health Partners for all my medical needs. Dr. Lightfoot and the counselor were lifesavers for me. They truly cared. They didn’t give up until they found something that helped me.”

– Victory Patient

Expanding Victory's Potential: Our Volunteers

The 60,000 volunteer hours represent time filled with intentional moments of care and compassion transforming the lives of our patients. It is in these moments that Victory's purpose is fulfilled. Every task from answering the phones, sorting medications, triaging a patient has purpose and equips Victory to fulfill our mission.

“The volunteers are compassionate people who carry on the work of Christ through healing hands.”
