

*Encounter Healing.  
Experience Hope.*

**Victory Health Partners  
2020 Annual Report**

**2020** was a year none of us could have predicted. We began 2020 with a clear focus to fully live out Victory's mission each and every day. That could not have been more true and essential as the clinic's doors remained open to share healing and hope to our patients during a pandemic. As we experienced the significant needs within the lives of our patients, the clinic's calling to provide physical, emotional and spiritual healing never wavered. And neither did you. You, as our partners, were committed through your generous financial support, in-kind donations and volunteering your time within the clinic. The kindness from meals delivered and PPE donated encouraged the staff and equipped the clinic to serve our patients safely. We cannot thank you enough.

Throughout these challenging times, we have all encountered many trials. We have experienced the loss of normalcy, being in community and we have endured a sense of confusion and uncertainty. As the absence of hope and healing has permeated within our community, we see the transformational impact Jesus is making within the lives of our patients as they encounter His healing and experience the hope of His love. The works of God are displayed and illustrated through each encounter with our patients. There are truly no words to articulate the significance of the eternal healing and hope God has worked at Victory and through you. Our prayer is that you will experience the God of healing and hope as you see His compassion throughout the pages of Victory Health Partners' 2020 Annual Report.

## MISSION STATEMENT

As a witness for Jesus Christ, Victory Health Partners exists to minister to the physical, emotional and spiritual needs of the medically under-served by providing affordable, quality health care services. We recognize that God is the True Healer and the source of all. We seek to know Jesus Christ, His Son and to make Him known.

## *From the Chairman*

“Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. And the second is like, unto it, Thou shalt love thy neighbor as thyself. Love is our greatest commandment. Victory Health Partners exemplifies loving our neighbors by serving those in need at their most vulnerable. I have supported VHP for many years by giving my time, talent, and resources to assist the mission of healing the physical and spiritual needs of those in need. Through the skills of the physicians and love of Christ, Victory Health Partners is making a lasting impact in the lives of our neighbors throughout the community.”

— *Ira Bates, Jr.*

## A Word from Dr. Robert Lightfoot

In Mark 1:40-42, we read of the encounter of a leper with Jesus, the leper kneeling down to Jesus and imploring Him, "If You are willing, You can make me clean." Then we see Jesus, moved with compassion, put out His hand and touch the leper saying, "I am willing, be cleansed." With that touch, because of His compassion and His willingness, complete healing flowed and the leper was made clean not just physically, but emotionally and spiritually. Simply, the leper encountered the living God and experienced his moment of healing.

From the start of the ministry of Victory Health Partners, it has been our desire that each person would encounter this Jesus; experience His compassion, His willingness to heal and His healing embrace through what we do each day. We desire for each person to experience spiritual, emotional and physical healing as we meet them with the love of God at their greatest need. That encounter is their moment of healing!

Even in these hard times, or especially during these hard times, we can testify of the faithfulness of God in and through Victory. We see and hear, daily, the testimonies of our patients' healing. It is only through your compassion as donors, the sacrificial giving of time and talent of our volunteers, the incredible service to our patients by our partner physicians, and a staff who is fully committed to the mission and ministry that this occurs. Victory is even more committed now to share Jesus' compassion and willingness to heal and touch! Thank you for joining us!

Blessings upon blessings!

A handwritten signature in black ink, appearing to read "Robert D. Lightfoot, M.D.". The signature is fluid and cursive, with a large, stylized initial "R" and "L".

# The Next Step in Healthcare: Our Medical Partners

Partnerships was purposefully placed in Victory's name from our inception because we knew that without our medical partners, Victory would not have the capacity to care for the complete needs of our patients. Victory has a network of over 150 partner specialists who will examine and treat in their own offices for an affordable fee. Specialty partnerships range from cardiology, chiropractic, orthopaedic, oncology, podiatry, dermatology and more. These partnerships provide the next step of healthcare that was previously too expensive for our patients. In 2020, the estimated value of the specialty care provided to patients was over \$20 million. One of the unforeseen blessings from these partnerships is the dignity restored to our patients as they felt like they were treated like 'everyone else' at the specialists' offices.

“Since coming to Victory, I have been connected with a great team of doctors. From Dr. Lightfoot to all of the specialty care doctors, I have been healed. God sent me here to you. I would not be here today if it wasn't for Victory.”

– Victory Patient

# The Living Stone Society

*"You also, as living stones, are being built up as a spiritual house." – 1 Peter 2:5*

The Living Stones Society was created to honor individuals and families, foundations, and companies contributing collectively \$1,000 annually. It is their spirit of generosity, personal investment and compassion that we established the Living Stones Society. In 2020, you impacted the lives of thousands of our patients. Because of you and your compassion and significant generosity, our patients find healing for their broken bodies and hope for their weary hearts.

**“I want to thank you for making Victory Health Partners available to people like me. I am a Type II diabetic with several medical problems. After the loss of my insurance, I was left in a situation of survival with a potential life threatening illness if I did not have access to medical treatment.”**

**– Victory Patient**

## Expanding Victory's Potential: Our Volunteers

The 40,000 volunteer hours represent time filled with intentional moments of care and compassion transforming the lives of our patients. It is in these moments that Victory's purpose is fulfilled. Every task from answering the phones, sorting medications, triaging a patient has purpose and equips Victory to fulfill our mission.

**“The volunteers are compassionate people who carry on the work of Christ through healing hands.”**

**“This was the best healthcare I ever received. When my husband and I were self-employed and did not have health insurance, I came to Victory Health Partners for all my medical needs. Dr. Lightfoot and the counselor were lifesavers for me. They truly cared. They didn’t give up until they found something that helped me.”**

**– Victory Patient**

“Volunteering at Victory has proven to be one of the most influential experiences of my life. It is a beautifully unique environment of genuine compassion, generosity, and faith that is difficult to find in healthcare. My time spent at the clinic has taught me invaluable lessons about life and medicine that I will carry with me far beyond my days as a volunteer.”

Hope and healing restored, during a pandemic, has brought significant change in the lives of our patients. Thank you to the following foundations and companies for coming alongside Victory during this uncharted season and equipping our staff and volunteers throughout the pandemic. From providing PPE and mental health counseling to financial gifts, you have empowered Victory to remain fully functional to meet the growing needs of our uninsured neighbors along the Gulf Coast.

The Community Foundation of  
South Alabama's Mobile Area  
Disaster Relief Fund

AT&T Foundation

United Way of Southwest Alabama  
Nonprofit Sustainability Fund

Hargrove Foundation

Alabama Power Foundation

State of Alabama  
Covid Relief Grants

Evonik

The Hearin-Chandler Foundation

## One Purpose. Many Partners. Tremendous Potential.

Every gift generously given to Victory restores and saves lives. There is much at stake for our patients who lack access to affordable and quality healthcare, but because of your commitment to their healing, they have hope for their journey.
