Will the providers' (MD or NP) malpractice insurance cover my volunteer work at Victory Health Partners?

- Please check with your current malpractice carrier to ensure coverage extends to seeing patients at Victory Health.
- If needed, a provider at Victory Health Partners can serve as the collaborator for your time volunteering with us.

If I run across any NP that does not currently have a collaborating physician, would Dr. Lightfoot or another Victory Health MD have room to be NPs collaborating physician?

- Yes, a MD at Victory Health Partners can serve as a collaborating physician if needed.

Could a Physician Assistant (PA) volunteer at Victory?

- Absolutely! Your collaborating physician would have to agree to be your coverage. If you are unable to secure that coverage, then our primary care doctors, Dr. Robert Lightfoot or Dr. Stacy Wing could agree to be your collaborators.
- You would also need to check on malpractice coverage to make sure there is coverage will at Victory Health.
