Our community partnerships are vital to the fulfillment of our mission to provide affordable, quality healthcare to adults who are uninsured.

With a network of over 160 specialists ranging from cardiologists, orthopedic surgeons, dermatologists, and more, barriers are removed that once blocked the path of our patients' health and recovery.

“It’s not about the numbers we serve, it’s about that one person we make a difference in, not only their physical life but also emotionally and spiritually...”

- Dr. Robert “Doc” Lightfoot
Co-founder, Executive/Medical Director
