

2023 ANNUAL REPORT

# DEEP & WIDE

Christ-Centered Healthcare  
For Uninsured Adults

## OUR MISSION

As a witness for Jesus Christ, Victory Health Partners exist to minister to the physical, emotional, and spiritual needs of the medically under-served by providing affordable, quality healthcare services. We recognize that God is the True Healer and the source of all. We seek to know Jesus Christ, His Son, and to make Him known.

Victory Health Partners is a 501(c)(3) non-profit healthcare organization established under the laws of the State of Alabama to provide a continuum of affordable quality care for the low-income uninsured population of the greater Mobile area.

LET ALL  
THAT

**YOU**

DO BE DONE

IN **LOVE.**

1 CORINTHIANS 16:14

## HEALING INFUSED WITH THE LOVE OF JESUS

The pages of the 2023 Annual Report contain testimonies of your impact within the lives of those we have the privilege to serve every day. To you, our partners, donors and volunteers, we pray God returns in abundance all you have shared with our patients.

In order to accomplish the breadth and the depth of care provided to our patients, God knew we needed you, alongside the generous support of countless partners who have selflessly offered their resources, time, and skills. We are deeply appreciative of your partnership.

## **Executive Board of Directors**

**Mrs. Erin Delaporte**, Chair  
*Division Area Manager,  
Alabama Power*

**Mrs. Audra Harper**, Vice Chair

*Community Volunteer*

## DEEP AND WIDE

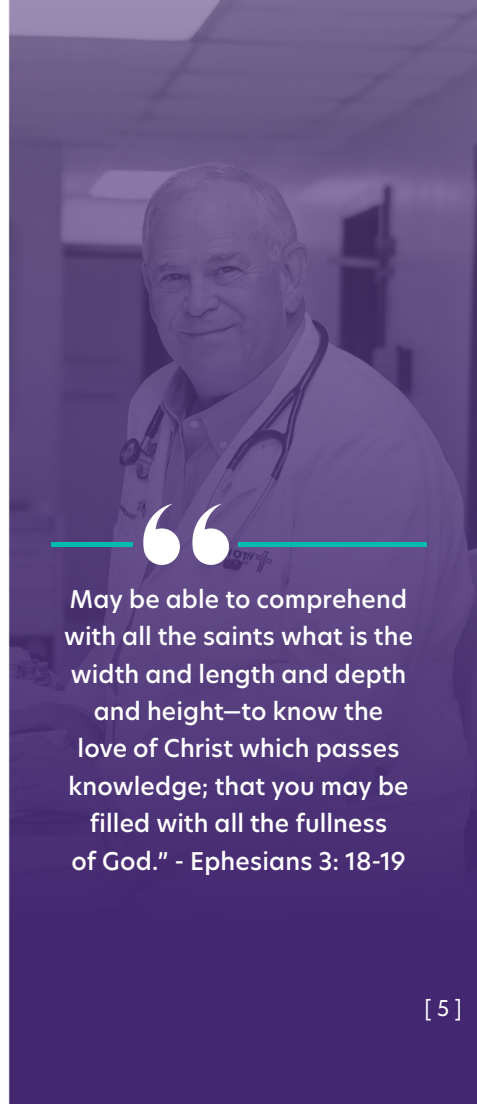

At Victory, we marvel at God's love for His children. His infinitely deep and wide love guides our mission, ensuring comprehensive, compassionate healthcare that transcends mere physical healing. Our patients deserve more than basic care; they need access to specialists, mental health resources, and an experience of Jesus' love in every interaction. Our patients are worth the highest level of compassionate and comprehensive healthcare. They are worth knowing the deepness of God's love for them.

For 22 years, your unwavering support has been our cornerstone, enabling us to broaden our spectrum of care and impact over 40,000 lives. Your partnership has been pivotal in providing access to critical surgeries, supplying life-saving medications, and ensuring families have nutritious food. This is healing infused with the love of Jesus. Through your support, healing transcends physical boundaries—it includes mental health counseling, the relief of accessing a cardiologist, and the comfort of essential diabetes medication at no cost. At Victory, we're more than a clinic; we are a sanctuary of profound healing and hope, a center for wellness, a place where the love of the True Healer transforms lives.

God bless!

Robert D. Lightfoot, M.D.,  
Executive Director/Medical Director

“  
May be able to comprehend with all the saints what is the width and length and depth and height—to know the love of Christ which passes knowledge; that you may be filled with all the fullness of God.” - Ephesians 3: 18-19

**9,240 PATIENTS**

Encounters during 2023

**2,509 LAB** Appointments  
at a Discounted Rate

Gynecology | Pulmonary | Minor Surgery | Physical Therapy | Social Work

“

I have never received such care at a time I needed it the most. I felt like I really mattered. My health was what mattered, not my circumstances. The quality of the care is excellent.”

- Patient Testimony

## CRITICAL ACCESS TO MENTAL HEALTHCARE

The pressing demand for affordable and quality mental health services within our community and nationwide continues to increase. In 2022, a key development in addressing this need for our patients was the collaboration with psychiatrist Dr. Carlos Diaz, who generously offered to begin seeing Victory patients at no cost. During 2023, he delivered direct care to patients and also worked closely with Victory’s medical team, lending his specialized knowledge as needed. This collaboration highlighted the critical role that mental health experts, including therapists, counselors, and psychiatrists, play in our care model, especially in supporting uninsured adults.

“

Victory was able to send me to get my MRIs. A cancerous mass was discovered hidden in my main arteries, and the recommendation was to amputate. I didn't have to worry about anything because Victory was right there.”

- Patient Testimony

## PROVIDING ACCESS TO SURGERY

*William M. Lightfoot, M.D. Surgical Patient Assistance Fund*

WILLIAM M. LIGHTFOOT, M.D.  
**PATIENT SURGICAL FUND**

During 2023, Victory Health Partners continued to address the daunting obstacles faced by uninsured patients in obtaining surgical care. These necessary surgeries, often financially out of reach, present a severe burden for individuals, potentially leading to dire health outcomes and emotional distress. The impact extends beyond the patients themselves, touching their families and communities, and in some cases, may even contribute to a decreased lifespan.

The William M. Lightfoot Surgery Fund, established in 2021 to mitigate these challenges, went beyond facilitating surgeries in 2023. It also played a pivotal role in covering essential diagnostic tests and procedures in hospitals, which are vital for detecting serious conditions, including cancer. Despite their high costs, these diagnostics are indispensable for ensuring accurate diagnoses, allowing our medical team to provide timely and effective treatments. Without this critical support, patients' conditions could deteriorate dramatically, underscoring the significance of early and precise diagnosis. The ability to offer these life-changing surgeries was made possible through the unwavering support and collaboration with local hospitals, showcasing the power of community partnerships in extending a lifeline to those in need.

Victory truly walks hand in hand with its patients, who in many ways, have been overlooked by other facets of society. It is not just a healthcare clinic but a ministry focused on improving the health and lives of those in need—mind, body, and spirit.”

- Lisa Howard, Social Work Volunteer

## HOPE FOR HEALING FOSTERING NEW PARTNERSHIPS IN PATIENT CARE

### *Meet Harrison and Lisa Howard*

During the Hope for Healing Celebration in April of 2023, Lisa Howard, a social worker, and her husband, Dr. Harrison Howard, a surgical oncologist with USA Health, had a moment of profound insight. They had accepted an invitation to the event, unaware until that moment, that one of the individuals sharing their testimony about their fight against cancer was also under the care of Dr. Howard.

Deeply touched by the patient’s testimony, and the accounts from medical providers about their endeavors to overcome challenges in providing the healthcare for patients at Victory, Lisa contacted Kim Garrett, the Director of Victory, the next day. After sharing the connection experienced during the Hope for Healing event, Lisa also expressed their desire to become involved with Victory’s mission of caring for uninsured adults.

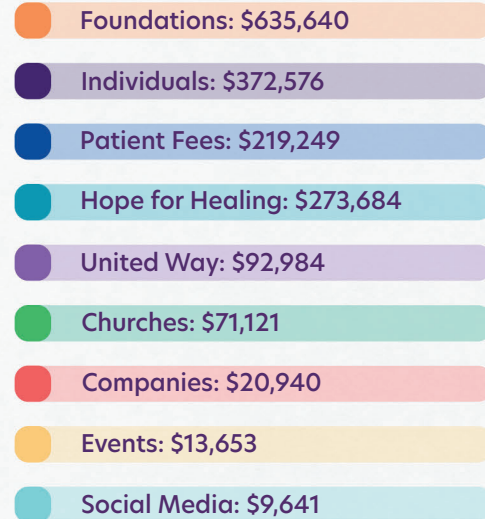

Since that inspiring night, Lisa has been volunteering at Victory utilizing her social work skills. Dr. Howard has emerged as a significant resource for our patients and recently shared, “I enjoy volunteering for Victory because the patients are invested and proactive in their health. I appreciate the faith-based approach of Victory, using healthcare as a means to spread the Gospel!”

**Total Income: \$1,709,488**

## INCOME BY SOURCE

*Partnerships Make A Full Continuum of Care Possible*

When I walk into this clinic,  
I can feel the difference.  
A sense of love and  
togetherness you cannot  
get in other places. Your staff  
makes me feel like a real  
person. I feel loved.  
I just want to say thank you.”

## DEEPENING TIES

### *The Inaugural Partners in Healing*

Debbie and Craig Mathews, longstanding supporters of Victory Health Partners, deepened their commitment to enhancing healthcare for the uninsured in 2023. Driven by a powerful sense of purpose, they spearheaded the inaugural Partners in Healing event, aimed at building deeper relationships with existing medical providers while also sharing Victory's mission with new medical professionals. This event was a crucial step towards creating a more unified healthcare community, fostering collaboration and understanding among those dedicated to serving our community.

The support from Debbie and Craig, alongside generous contributions from Springhill Toyota and Lexus of Mobile, underscored the community's shared goal of transforming patient care and outcomes. Reflecting on their journey and looking ahead, Debbie shared, "Feeling God's calling to do something deeper has been a powerful motivator for us. In 2024, we aim to build on this foundation, exploring even more ways to support Victory Health and the patients they serve. I believe there is more to be done."

The Mathews' expanded involvement exemplifies the profound impact of community and compassion in healthcare, setting a path for others to follow in creating a healthier future for all.

“  
Feeling God's calling  
to do something deeper  
has been a powerful  
motivator for us”

- Debbie Mathews

## BRIDGING THE GAP

### *Access to Medications*

The Dispensary and Patient Assistance Program serves as a shining light of hope, offering our patients the opportunity to receive most, if not all, of their medications free of charge. Understanding the intricate and intimidating process of enrolling in pharmaceutical companies' patient assistance programs, our dedicated team, of staff and volunteers, work each day to ensure our patients are enrolled and life saving medications are received. Here is a list of the pharmaceutical companies whose patient assistance programs we have accessed in 2023, ensuring a continuous supply of medications for our patients.

Abbvie	Johnson & Johnson Patient Assistance Foundation
Allergan, Inc	Kowa Pharmaceuticals America
Amgen, Inc	LILLY
Astellas Pharma US, Inc	Merck & Company, Inc
AstraZeneca Pharmaceuticals	Novartis
Bausch Health	Novartis Pharmaceuticals Corporation
Bayer Healthcare Pharmaceuticals	Novo Nordisk, Inc
Biogen - Biogen Idec	Pfizer, Inc
Boehringer Ingelheim Cares Foundation, Inc	Sanofi
Bristol-Myers Squibb	Sunovion
Eli Lilly	Supernus Pharmaceuticals
Eli Lilly & Company	Takeda Pharmaceuticals America
Gilead Sciences	Teva Pharmaceuticals
Glaxosmithkline	UCB Pharma, Inc
Intra-Cellular Therapies	VIATRIS
Johnson & Johnson	

# THE LIVING STONES SOCIETY

## *Partners of Hope and Healing*

Looking back at 2023, Victory Health Partners can unmistakably observe the lasting impact that the generosity and compassion of our dedicated donors have had on the lives of thousands of patients we are honored to serve. The collective impact of when healing and hope are combined creates an outcome of our patients' lives being restored, transformed and saved. Because of our partners, a critically ill patient had access to a specialist who provided life-saving care; a patient took a deep breath as a result of our Smoking Cessation clinic; a diabetic received their insulin for no additional cost; and a patient grappling with depression was offered a compassionate and attentive ear. Patients experience the hope from the Ultimate Healer in a medical practice that cares for their physical, emotional and spiritual needs in a dignified manner.

We thank you for the lasting difference you have made within the lives of the 40,000 patients Victory has encountered.

# EMPOWERING HEALTH AND MOBILITY

## *The Impact of Physical Therapy Partnerships*

Victory is committed to bringing hope and healing to our patients, and a crucial part of this mission involves providing access to the life-changing benefits of physical therapy. Our goal was straightforward: alleviate pain, improve mobility, and enable patients to take control of their health.

During 2023, we expanded our partnerships, bringing on board University of South Alabama Physical Therapy Department, Renew Physical Therapy and Wellness, and BenchMark Physical Therapy. The utilization of re-purposed room and donated equipment allowed the establishment of a New Patient Physical Therapy Evaluation Clinic. University of South Alabama Physical Therapy Department, instructors and students, along with therapists from BenchMark Physical Therapy conducted initial evaluations at Victory. Patients then continued their care at well-equipped off-site facilities like BenchMark Physical Therapy, Renew Physical Therapy and Wellness, University of South Alabama Physical Therapy Department, and Encore for comprehensive physical therapy.

This collective effort resulted in over 150 patients receiving quality physical therapy care, showcasing the significant impact of these partnerships and the combined dedication of Victory and our partners to enhancing health and wellness for uninsured adults.

“

I have never received such care at a time I needed it the most. I felt like I really mattered. My health was what mattered, not my circumstances. The quality of the care is excellent.

## MY VICTORY JOURNEY

*By Micaela Dusseault, Triage Program Volunteer*

During summer of 2023, I started volunteering as a Triage Assistant. My passion for the clinic grew very quickly, and so did my aspirations to serve further. I felt the Lord guiding me to find more ways to serve.

Victory Health Partners treats patients holistically, not just addressing their medical needs in the exam room. The clinic's food pantry is a vital component of this approach. It embodies the principle that good health starts with good nutrition, providing patients with access to nutritious foods that significantly enhance their quality of life.

Realizing the benefits of a Food Drive, I teamed up with Tanner McGee, a South Alabama Football Quarterback, and a fellow Triage Volunteer, to pitch the idea to the South Alabama Athletics Department. The response was overwhelming, with contributions from every sports team. With the help of two trucks from Victory's Board member Chris Tracy with Cadence Bank, student-athletes packed two truckloads and a van with donated food and office supplies.

*Micaela graduated with her Masters of Exercise Science from the University of South Alabama in December 2023. After receiving six acceptances to Physician Assistant schools, she is preparing to start the University of Florida Physician Assistant Studies. Micaela's story not only reflects her personal growth and dedication to healthcare but also serves as an inspiration for the importance of compassion and action in serving others.*

“

Volunteering at Victory helped me understand that being a healthcare provider goes beyond diagnoses and treatments; it's about compassion, understanding, and holistic support. This experience has reaffirmed my decision to pursue a career in the medical field.”

- Micaela Dusseault,  
University of Florida  
Physician Assistant Studies

\* In-Kind Donation

“

I have never received such care at a time I needed it the most. I felt like I really mattered. My health was what mattered, not my circumstances.”

- Patient Testimony

# SINGLE MISSION. MANY PARTNERS. BOUNDLESS POSSIBILITIES.

Each donation graciously made to Victory Health Partners plays a vital role in saving and transforming the lives of our patients, who often face barriers to accessing affordable and high-quality healthcare, find themselves at a critical juncture. Your dedicated support not only offers our patients a beacon of hope but also empowers their journey towards healing and wellness.
