MANUFACTURING PROCESS DETAIL(S):

1. The manufacturer is not authorised to manufacture/assemble medicinal or therapeutic products, biologicals (including vaccines, blood products, preparations containing viruses and other micro-organisms) and any preparations containing cytotoxic substances, cephalosporins, penicillins, hormones and/or steroids.
2. This certification applies to the manufacture, including the receipt of materials, production, packaging, labeling, quality control, release, storage and distribution of the above-mentioned cosmetic product(s).
3. This certification is a statement of the manufacturing quality system standard of the factory but is not an endorsement of the quality of the cosmetic product(s) manufactured. Separate notification of the cosmetic product(s) to the Health Sciences Authority, is required for placing the cosmetic product(s) in the market in Singapore.
