"St. Anselm School will always hold a special place in my heart. As parents, we chose St. Anselm for our children because we wanted them to receive a great education, in a Catholic environment. Now as the school secretary, I get to see things from a different perspective. I realize even more fully than I did as a parent, what great sacrifices the teachers make to teach in a Catholic school. The community that is St. Anselm School, is comprised of so many and is so vibrant. There are many little things that happen behind the scenes that make St. Anselm School the special place that it is. I am privileged to be a small part of the lives of the wonderful families who choose this school for their children."

-Mrs. Susan Zimmerman, School Secretary

St. Anselm School admits students of any race, color, nation and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions [policies, scholarship and loan programs, and athletic and other school-administered programs.
