### WHAT IS A FAITH FAMILY?

Students from grades K-8 are randomly assigned to a teacher as part of their family. Each "house" has about 17 members with at least one student from each grade level. This "family" remains intact year after year, with the only change being the 8th grader graduating, the new kindergartener entering and any other student new to St. Anselm. Families attend school Masses together, as well as participate in regularly scheduled activities throughout the year. Faith Families provide our students with opportunities to interact with children of different age levels and abilities, and deepens the sense of community that is already so strong in our school.

St. Anselm School admits students of any race, color, nation and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.
