ON THE BULGARIAN & EUROPEAN MARKET

Zara Trade 08 Ltd. is a Bulgarian company specializing in roasting and processing of coffee and instant products. We operate in a factory with high-tech, automated equipment. The international quality management system ISO 9001: 2015 and the Hazard Analysis and Critical Control Point system have been implemented and certified in production and trade.

Zara Trade 08 Ltd. is the owner of the registered and protected brand **ZARRA** coffee. Products with this brand are present in all major distribution channels: HoReCa /hotels, restaurants, coffee shops/, retail, vending segment.

The **ZARRA** coffee team takes care of maintaining the same taste, aroma, fragility and color of the roasted beans. This control guarantees us quality espresso coffee drinks, adequately responding to the changing requirements of customers.

Zara Trade 08 Ltd. manufactures products with private labels. We are grateful that we meet our already set personal requirements for the composition of the aperture, price range, packaging design. We are happy to respond to any search and proposal for a future partnership.

The accompanying part of the activity of the company "Zara Trade 08" Ltd. is the trade in products, consumables, spare parts for vending machines. In 2014, we started building our own fleet of self-selling machines, serviced and recycled by professionally trained operators and technicians.

Leading in our work is honesty, trust, customer care, mutual respect, continuous improvement. Our team consists of highly responsible, competent specialists.
