

Jacques Kellermann Safaris offers exclusive hunting packages for international hunters, promising a memorable journey into Africa's wilderness with over two decades of expertise.

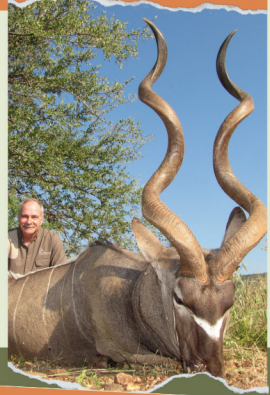

PLAINS GAME *Hunting Safari*

Explore the diversity of Africa's plains game species in an expedition that's as varied as the landscape itself.

Diverse Species: Target a range of species from the elegant impala to the powerful kudu, in some of Africa's most scenic plains.

Tailored Expeditions: Whether you're a seasoned hunter or a first-timer, our safaris are customized to your skill level and preferences.

Conservation Focus: Experience sustainable hunting with a focus on conservation, contributing to the preservation of Africa's natural heritage.

Package details

\$2 750 per package

5-day hunting stay for 2-4 hunters in Limpopo.

One Impala Trophy per hunter plus \$500 credit for a second trophy.
