About Me

Ashlee Fay Branstetter is a successful trailblazing serial entrepreneur who's extraordinary grit, drive, perseverance, and determination have helped her to not only transform the life of her own family, but also the lives of thousands of people all around the world. Originally, the creator of Ashlee Fay Designs, a booming shopping network featuring over 20 businesses and boutiques all of which started with a humbling -\$54 in her bank account. With more than 125k in her virtual community, she's since turned this mega influence into an entire movement through the Embrace Your Ambition Experience which she now co-owns. Her greatest passion is inspiring others to live their best life and she is available for both virtual and in person events via request
