## OFFICE NEWS

Now that we've become experts on the solar system, we are focusing on our planet Earth. The class will start by learning the three elements that make up our planet. It may be surprising for the children to learn that the seven large pieces of land and five bodies of water have names. We will ask your child to identify the continents and oceans. Please follow-up at home by pulling out our globe or map and quizzing your child.

This month we will enjoy studying the life of pilgrims and American Indians through books, crafts, and songs. November is a great time of year for us to reflect on the importance of gratitude and family!

We would like to thank you for your patience when your child brings home someone else's work. Some children are still learning to identify their names. We hand them papers to put into the cubby at the end of the day, and they put these into their backpacks. Please simply return the next day

if this happens. Thank you!

As the leaves fall and the temperatures begin to drop, our outdoor time will become increasingly more valuable! Please remember to dress your child in weather-appropriate outerwear so that they may take advantage of what sunshine and comfortable temperatures remain for the season!

# OFFICE REMINDERS

**OFFICE HOURS M-F 9:00AM-11:00AM**

**Please call or email if your student is going to be absent for the day.** We ask this because our teachers wait at the door for all students to show up, we would hate to have them wait for a student that is going to be missing class that day. Thank you for understanding ☺

**Family Envelopes** to keep the numerous papers flowing between school and home we distribute weekly. If you do not receive your envelope, please inquire with your lead teacher. We include various documents (Scholastic Book order reminders, field trip information, events, etc.). **Families are asked to remove the contents and return your envelope to school the next day!**

**Tuition envelopes** are distributed via the weekly family envelopes during the third week of each month. They are to be returned with payment no later than the 1st of each month.

**Tuition checks** should be for **tuition only**. All payments for other activities such as field trips and other events, are to be paid separately and returned to school with the corresponding paperwork.

\*\*If you donate supplies to our school, please remember to include your name with your donation. We want to make sure we thank everybody for their generosity.
