

OFFICE NEWS

We are looking forward to a busy spring! There will be many new learning experiences for the children.

Our main focus this month will be the life cycle of chicken embryology. This is one of our most exciting topics in the eyes of the children. There is so much for the students to discover within this unit. We will work on daily activities to learn about the incubation process, and by the time the chicks hatch, all of the children will have such great knowledge about this fascinating event.

Our class will focus on where a variety of animals live. This gives us the opportunity to pull out our world map, and discover what continents these animals live on. We will discuss why they need a certain environment to survive and make an Informative packet to bring home.

We are so excited to be able to have our Graduation Ceremony this year. The kindergarten graduates will be wearing the cap and gown and have prepared a special speech. We look forward to this event in May.

As the weather improves, the students will explore the outside and see how nature has changed since winter left us. We will talk about our beautiful surroundings such as the trees and flowers, and how weather assists in their growth process.

OFFICE REMINDERS

OFFICE HOURS M-F 9:00AM-11:00AM

Please call or email if your student is going to be absent for the day. We ask this because our teachers wait at the door for all students to show up, we would hate to have them wait for a student that is going to be missing class that day. Thank you for understanding 😊

Family Envelopes to keep the numerous papers flowing between school and home we distribute weekly. If you do not receive your envelope, please inquire with your

lead teacher. We include various documents (Scholastic Book order reminders, field trip information, events, etc.). **Families are asked to remove the contents and return your envelope to school the next day!**

Tuition envelopes are distributed via the weekly family envelopes during the third week of each month. They are to be returned with payment no later than the 1st of each month.

Tuition checks should be for **tuition only**. All payments for other activities such as field trips and other events, are to be paid separately and returned to school with the corresponding paperwork.

**If you donate supplies to our school, please remember to include your name with your donation. We want to make sure we thank everybody for their generosity.
