OFFICE NEWS

This month is Dental Health Month. Care of yourself is an essential part of the Montessori practical life curriculum. The children will be learning the different parts of the tooth and each one's importance. We will be talking about healthy and unhealthy foods and their effect on your teeth. Also, Kennedy's mom, Ms Kathy will be presenting Dental Care to the class. We are excited to have a Dentist in our parent group to visit and learn the best way to care for our teeth.

February is also the month our class will begin their study of the state of Illinois. They will be learning the state bird, tree, flower, capital and many other interesting facts about our wonderful state.

In addition, we will be celebrating Valentine's Day with a card exchange with our classmates. Incorporating lessons about showing kindness.

Lastly, this month we will be learning more about our past Presidents George Washington and Abraham Lincoln in honor of President's Day. The children will read some interesting facts from "child friendly" biographies about the two presidents and learn about their many contributions to our government.
