## OFFICE NEWS

*Happy Holidays & Happy New Year to all of you!* Our school year is just about half over and we have so much left to present to our students. Every year, we see an amazing phenomenon after the Holiday break. Our students seem to be so focused and ready for much more advanced and lengthy presentations that they weren't quite ready for prior to our sabbatical.

We are all looking forward to diving right back into our studies with the children with their newly acquired focus that seems to surprise us year after year. Our kindergarten students will start making their USA maps and present their state reports.

We will also be working on some extensive science studies in the areas of the solar system, volcanoes and other landforms, lifecycle projects and much more.

Unprecedented growth will take place in these winter months. The adults in the environment will sit back in awe of the achievements mastered during this period. We look forward to this exciting new year!

We also want to thank our classroom helpers.. **Cory Flynn, Eric White, Alicia Wall, Erin Hillstorm, Meaghan Good & Alexis Bouziotis** – **THANK YOU** for all your help and support, we enjoy having you in the classroom!!

Another special thanks for our parents who made our Christmas Around The World presentations happen – **Francesca Wolf, Anna McCafferty & Erin Hillstorm**. Thanks again, we couldn't have done it without you!

## OFFICE REMINDERS

**OFFICE HOURS M-F 9:00AM-11:00AM**

**2024-2025 registration forms & fees-** Due by Thursday, February 1st. As always, first priority for registration is given to

returning  
students and/or incoming siblings. We will open registration to the public on Friday, February 2nd. **(Packets will be passed out when students return from break)**

**Please call or email if your student is going to be absent for the day.** We ask this because our teachers wait at the door for all students to show up, we would hate to have them wait for a student that is going to be missing class that day. Thank you for understanding 😊

**Family Envelopes** to keep the numerous papers flowing between school and home we distribute weekly. If you do not receive your envelope, please inquire with your lead teacher. We include various documents (Scholastic Book order reminders, field trip information, events, etc.). **Families are asked to remove the contents and return your envelope to school the next day!**

**Tuition envelopes** are distributed via the weekly family envelopes during the third week of each month. They are to be returned with payment no later than the 1st of each month.

**Tuition checks** should be for **tuition only**. All payments for other activities such as field trips and other events, are to be paid separately and returned to school with the corresponding paperwork.

\*\*If you donate supplies to our school, please remember to include your name with your donation. We want to make sure we thank everybody for their generosity.
