- Tuesday 28th—Year 5/6 event at Furness College (during school time)

It has been great to see so many parents in school this week and to see such support for the school. As always we have lots of exciting opportunities planned for the children this half term.

**Uniform**

As the weather becomes a little colder, please do ensure your child is dressed appropriately. A reminder that black trousers are required for all school aged children and black footwear.

**Attendance**

Class	Attendance
Reception	91%
Year 1	96%
Year 2	97%
Year 3/4	93%
Year 5/6	97%

Please note that the doors will close at 8:55, at which point the register will be taken. Children after this time will be marked as late. This is a safety decision so we know exactly how many children are in the building in case of an emergency.

**Clubs**

Please note that clubs continue next week (week beginning 6th). Art club has now switched to a Thursday—children who have a place on this will receive confirmation. Football club will run outside as long as we have the light, after which we will run a club in the hall—we will be asking the footballers what they would like to do during this time.

**BSA**

A reminder of a way to raise funds for our BSA this Christmas.

Our Autumn Disco has now been rearranged and confirmed for this Friday (3rd), with Bonfire Night also confirmed for Sunday (12th).

**Keppleway**

As you can see our Keppleway sessions for EYFS and Key Stage 1 are beginning each Friday. Please make sure your child is dressed

accordingly (school jumper/hoody, change of trousers, waterproofs, coat and hat). Wellies are a must please.

**Snacks**

We have been speaking to the school council who have been concerned about some of the snacks coming into school. Plans are afoot to educate the children regarding healthy eating and to also consider how we run snack time during breaks. It would be greatly appreciated if you could consider the snacks that are being brought into school for break times.

**Work of the term/Nativity**

Our Worker of the term and Harvest assembly will take place on Friday 15th December. Reception will be leading our collective worship for the Nativity. As always, volunteers to help us walk to church would be greatly appreciated. Details will follow in due course.

**Nursery build update**

The end is in sight! We hope for this to be the last month of the build project. Work on developing the EYFS outdoor play area will commence on Monday 17th November. This will mean the whole EYFS area will be complete for the new year. Very exciting times.

**Parking**

As our build begins to come to a close, we will gain back areas of our playground. This will change our parking routine with long term plans currently being set in place. Please do look out on dojo for any parking changes.

**Dinner prices**

Just a reminder that the cost of school dinners have increased to £2.75. Please continue to book and pay with ParentPay.

**Comic relief/Red Nose Day**

This was another area discussed at the school council meeting. The children have decided that this year they would like to raise money for Red Nose Day and then we will alternate each year.

**Headlice**

We have had a couple of reports of headlice over the last few weeks. Please do check your child and let us know.

As always, thank you for your time and support.
