Packages may be shared amongst family members. Regular adjustment pricing is \$65/adjustment. Payment plans require card on file for auto-debit. You agree and understand that any fee discount you receive is based on prepayment. If you prematurely discontinue care, the non-discounted fees will apply to the services already completed. A pro-rated refund will be provided after non-discounted fees are applied. Any additional family members will be required to pay for an initial exam at a discounted rate. These packages cover FOLLOW UPS only.
