Position Title: Investment Advisor

About Georgetown Financial Group, Inc.

Our mission is to empower independent advisors to be the trusted guides of your clients' financial futures. With our background as client-facing advisors, we have the direct experience and the resources to help you meet your objectives and advance your business to the next level. Whether you are an emerging practice still building your client roster, an established firm looking to refine your service model and target a niche, or a transitioning firm contemplating an appropriate successor, we can assist you every step of the way. We are a partner with a solid foundation for your immediate needs and long-term challenges.

Since 1991, Georgetown Financial Group (GFG) has grown into a distinguished national full service financial services company with approximately 100 financial advisors at Cetera Advisor Networks LLC.

As an independently managed producer group, GFG's advisors provide financial planning and wealth management services, designing and implementing detailed strategies to help our clients accumulate, protect, and transfer wealth. Integrity, leadership and compassion for helping clients is what drives our financial advisors each day.

Position Overview/Summary
