### Web booking - Simulator

In the top-right corner it is possible to login or create a new account.

This is the overview of the web booking. Select the course, simulator or other venue type in the drop-down menu.

The information of the tee times are displayed on the right-hand side and are connected to the tee time categories, which will be covered later.

## Web booking clarification

The web booking is built for bookings only.

The following features are only available in the app:

- Personal information
- Upcoming bookings
- Past bookings
- Notifications
- Notify their arrival

The user can log in with the same credentials provided when creating the account on the web. QR pic to appstore / google?
