20/12/2022

Season's Greetings to all NRB Members,

With the end of year fast approaching the committee has been busy with a variety of projects.

The new Range Pass system is in its final stage of prep for January.

The new electronic target system is expected to arrive in the New Year.

New L.E.D. lights and fans have been delivered and will be installed soon.

The electric fences have been repaired.

The New Year should see the security system installed.

The committee has approved a contractor to install new roofing over the toilet block and storage containers which will be done in the February.

NRB will again host the Lever Action State Titles in May 2023.

Finally the NRB Committee would like to thank all the Discipline Captains and RO's for their time and dedication to help run our club in a smooth and friendly environment so that everyone can enjoy the sport that they have chosen.

Merry Christmas and Happy New Year to all.

Thank you for your time today.

Ian Wills

President Northern Rivers Branch No4
