### **SSAA NSW NRB EXECUTIVE COMMITTEE PRESIDENTS OFFICAL LETTER TO BRANCH MEMBERS**

SSAA NSW NRB Members

This month has been a busy month for the NRB committee.

We have had a change of RO's at the general shoot for next year, with Neville Budge taking over as the leading RO and Trevor Williams will be his main assistant RO. Trevor Williams is the person to contact for all range bookings for the general shoots. He can be contacted on Ph 0422732402. You can find Neville's contact number on the range program which should be available around Christmas via email and from our website [www.ssaanrb.com.au](http://www.ssaanrb.com.au) any further updates will be advised by email, Facebook and the web.

The 300 Fly shoot has also got a new Discipline Captain in Trevor Williams with his daughter Natonya as assistant RO.

The range Wi-Fi has been installed this week and once configured will allow for easier range attendance making reporting at both ranges a much easier process.

The guttering at the Purcell range has been approved by the committee which should relieve a lot of ground water especially around the club house.

The car park at the rifle shed has had a second load of fill added to it and once that settles may still need a bit more.

The second round of paperwork for the DPI / Crown Lands applications in relation to the rifle shed extensions has been submitted so we must wait for a response from them in the new year.

The feral deer program that was conducted early this month was well received with the organizers indicating they wish to utilize our range again in the new year.

Now for the big one,
