

The 42,000-square-foot Farm Credit Pavilion is equipped with a show office & restrooms. The pavilion has siding with several open doorways and windows to allow for good air flow and accessibility. The pavilion has a dirt floor that can be packed or worked up to serve as an arena. The clear span area is 100ft x 280ft with 25ft shed roofs off both sides. It offers parking adjacent to the building and easy access for large-scale installations. Water hydrants are placed at 4 locations just outside of the doorways. The pavilion lighting is high quality LED lights for excellent illumination and has a permanently installed sound system
