# MEADOW PAVILION

Over 6,900 square feet of open space bathed in light from its central skylight and eight overhead sectional glass doors that can be opened to enjoy the outdoor breeze. This venue offers a private office for storage of any personal items or vendors to store their equipment; caterer's warming kitchen with sinks and counter space; large restroom facilities; concrete flooring and heat throughout (no air-conditioning units; however, venue has a large industrial ceiling fan that provides excellent air circulation).
