

FIGHTING WITH HOPE

Our 2022 Impact Report

A quote from a box recipient.

"This is probably the most thoughtful gift that I have ever received! Starting in August I'll go 4 rounds with the Red Devil, then 12 more on a more mild cocktail. My port goes in next week. This is all new to me, yet the pressing into Jesus has been so sweet and soothing. I will use every one of the items in this box."
-Vicki

Fighting with Hope's Mission & Goals

Our mission is to bring a living Hope to those facing cancer!

Fighting with Hope sends practical and encouraging gifts to those fighting cancer. We bring hope into the darkest of times. Hearing "you have cancer" is a gut punch. We are here to help patients practically deal with the side effects, fear, anxiety, and hopelessness that can accompany a cancer diagnosis.

Our ultimate goal is to put a box of Hope in the hands of every person going through cancer treatment!

We are also here for the person who wants to help but doesn't know what to say or do for a cancer patient. A chemo box is a perfect way to show you care! We know first-hand how expensive and difficult cancer can be on a family, so we never ever charge for a box. Every single box is covered by donations!

Letter from the Founders

Hello Fighting with Hope supporters!

First off, we want to personally thank you for supporting Fighting with Hope. This dream could not exist without YOU!

We came up with the chemo box idea when Emily started chemo back in 2019. She was tired of getting more medicine to combat side effects on top of the chemo she was already receiving. After lots of research and asking fellow cancer patients at chemo, Emily put together a box of items she uses every time she gets treatment.

We know the items in each box are helpful because they have helped Emily battle through over 100 rounds of chemotherapy! This is not an abstract idea for us, it is our passion to serve those who are struggling, just like us. We are so humbled that you would join in our mission to bring hope to fellow families navigating the cancer world.

Thank you for bearing with us during our brief pause as Emily begins a clinical trial in Boston. We found out on a Tuesday we would have to move to Boston temporarily. We moved the next Monday. We had to uproot our lives in less than a week! Now we are hard at work to resume sending boxes ASAP. We can't wait to see what 2023 has in store for Fighting With Hope!

We hope you have a very happy new year! Thank you for EVERYTHING!

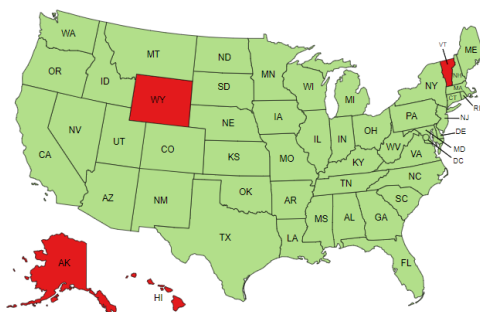

Much Love and Hope,

Emily and Brady King

2022 By the Numbers (*Thru November)

552 – Cancer patients Served with a free Box of Hope!

46 – Number of States we have sent boxes! + Canada & Puerto Rico (Where you at AK, HI, VT, & WY?)

100+ – Number of Volunteers who helped pack boxes!

430+ – Number of Individual Donors!

\$120K – Total Donations Received!

~99% – The % of donations spent directly on Chemo Boxes!
