THE HOT BREAD KITCHEN

The Hot Bread Kitchen's first location was opened in February of 1982- as we've had the pleasure of serving Fiji's communities ever since! Our goal was to bake and serve freshly baked, preservative free bread at a reasonable price, and every day we strive to meet it.

Every loaf of bread that you buy at The Hot Bread Kitchen is made from scratch and baked less than 24 hours before the time you take it home. At The Hot Bread Kitchen in the Denarau Marina, we take our bread mantra a step further and provide pastries, meat pies, sandwiches, cakes and various other snack foods.

NADI TOWN

"Making the most of your trip into Nadi town" Nadi Town - was established in 1947 as a "Government Station" on the higher grounds of Nadi and established itself as Fiji's tourist hub in the 1960s. Opening hours: Monday to Friday - 0800 hrs. till 1700 hrs. and Saturday - 0800 hrs. till 1300hrs, Sunday – Most shops are closed.

To get there

- 15 minutes' drive each way
- Taxi fare - FJ$19.00 each way (avoid getting into private cars operating as taxi from town)
- You may hop in the Yellow Bus by the roadside outside the resort for just FJ$1.50 (e-ticket) each way and experience ride to town and back with the locals
- Main shopping center, experience shopping with the locals
- Main Street is the center of the action with plenty of shopping and the latest Hindi or Fijian music playing from every storefront
- Handicrafts and souvenir's including handicraft markets
- Electronics - Phone shops Vodafone / Digicel Shops
- Clothing – business / casual wear
- Grocery shopping / Chemists
- Banks / ATM / Money exchange bureau
- Restaurants – Chinese / Indian / Fijian and Western Cuisine - Local produce market overflowing with fresh fruit and veggies (located behind main street)

Top choice Hindu site in Nadi - Sri Siva Subramanya Swami Temple - this riotously bright Hindu temple is one of the few places outside India where you can see traditional Dravidian architecture; the wooden carvings of deities travelled here from India, as did the artists who dressed the temple in its colorful coat and impressive ceiling frescos. Dress modestly and remove your shoes at the entrance; photos are okay in the grounds, but not the temple. The inner sanctum is reserved for devotees bringing offerings. The on-site temple custodian can help make sense of it all.

NADI TOWN

Important to remember (Do's and don'ts)

Like everywhere in the world, locals get excited to see tourists. All shopkeepers want to sell their goods/souvenirs to earn their living. Tourism Police in Nadi are working closely with these shopkeepers to ensure that everyone has the right to hassle free shopping. We advise you to be firm and not be lured into buying something that you do not intend to buy. Stay on the main street where shops have clear pricing, and this will not happen. If you are coerced into buying something you didn't want, please report to the Nadi Police Station in town. You may report to the Duty Manager on shift at the resort and we will take this up with the relevant authorities to see how we can assist however the resort cannot be held liable in anyway.

- Always keep your valuables safe, especially in crowded areas like the market
- Don't give your name or accommodation details to anyone that asks
- Avoid walking on the main street after 7pm

COVID-19 PROTOCOLS

Keep physical distance of at least 1 meter from others, even if they don't appear to be sick. Avoid crowds and close contact. Wear a properly fitted mask when physical distancing is not possible and in poorly ventilated settings. Clean your hands frequently with alcohol-based hand rub or soap and water.
Keep good hygiene

By following good respiratory hygiene, you protect the people around you from viruses that cause colds, flu and COVID-19.

To ensure good hygiene you should:

- Regularly and thoroughly clean your hands with either an alcohol-based hand rub or soap and water. This eliminates germs that may be on your hands, including viruses.
- Cover your mouth and nose with your bent elbow or a tissue when you cough or sneeze. Dispose of the used tissue immediately into a closed bin and wash your hands.
- Clean and disinfect surfaces frequently, especially those which are regularly touched, such as door handles, faucets and phone screens.

What to do if you feel unwell

If you feel unwell, here's what to do:

- If you have a fever, cough and difficulty breathing, seek medical attention immediately. Call by telephone first and follow the directions of your local health authority.
- Know the full range of symptoms of COVID-19. The most common symptoms of COVID-19 are fever, dry cough, tiredness and loss of taste or smell. Less common symptoms include aches and pains, headache, sore throat, red or irritated eyes, diarrhea, a skin rash or discoloration of fingers or toes.
- Stay home and self-isolate for 10 days from symptom onset, plus three days after symptoms cease. Call the nearest health care provider for advice. Have someone bring you supplies. If you need to leave your house or have someone near you, wear a properly fitted mask to avoid infecting others.
- Keep up to date on the latest information from trusted sources, such as WHO or your local and national health authorities. Local and national authorities and public health units are best placed to advise on what people in your area should be doing to protect themselves.
