

Ready Meals Delivery Service

Many people, especially the elderly or those with limited mobility, are not always able to make it to a supermarket to get shopping, or are able to prepare and cook good quality meals.

Dartmoor Community Kitchen Hub has been creating delicious, home-cooked meals in a **Ready Meal** format for years and we have a wide range of chilled and frozen main meals and puddings available to collect from our Bovey Tracey cafe daily.

For those who need a little extra hand we also provide a **Ready Meals Delivery Service**. Delivered within the local area as 4 or more chilled or frozen meals that are ready to heat in an oven or microwave, it's a convenient, affordable and nutritious option.

We know the relief that receiving our easy to cook, delicious meals can provide, especially to the relatives that want to ensure their loved ones are eating properly.

Over the years we have been running our it has become obvious that our community prefer the traditional British favorites from their youth and our menu is packed with hearty classics that always put a smile on their faces.

Our meals are prepared and cooked by our wonderful kitchen team of local staff and volunteers using locally sourced, fresh seasonal produce.

We have always slow-cooked our recipes using only the best Dartmoor meat, poultry and Devon fish and we will continue to do so.

We use fruit and vegetables in season and our meat and fish have one of the lowest food miles in the catering service.

We use our electric vehicle for delivery whenever possible. A network of volunteers deliver the meals to the home.

Hot Meals Delivery

In addition to our chilled and frozen Ready Meals Delivery Service, we also provide a **Hot Meals Delivery Service** in the local area to those that need it.

Whilst we have limited number of people we can accept we are working to try to accommodate more. Registration for **Hot Meals** usually comes as a result of a GP referral, however you can contact us to refer yourself or a relative for the service.

How To Register

Call: 01626 836899

Online: communitykitchenhub.org.uk
