## it's time...

At Beyond Healthy MD our physicians recognize AGING as the number one risk factor for developing disease. We individualize treatment plans to help people find the most effective, studied treatments that reduce the visible signs of aging and internally reduce the biological rate of aging.

- **Regenerative Medicine**
- **Longevity + Aging Medicine**
- **Medical Aesthetics (full service lasers, injectables, medical grade facials, acne therapy)**
- **Medical Grade, proven-effective product lines**
- **Pharmaceutical Supplements/Neutraceuticals**

 **call for a new patient appointment  
512-886-1490**

We strive to break the medical office "gatekeeper" mold and provide an unmatched patient experience with physician involvement, communication and follow up. First time patients will be given extra time to ensure the service desired is best + safe for each patient.
