**POLICY AND PROCEDURE**

**Subject: Equal Opportunity (ASA 04)**  
**Issue No: 2 Date of Issue: February 2020**

Adelaide Survivors Abreast (ASA) aims to provide opportunities of participation in dragon boating activities in a supportive environment where members' values are respected.

ASA acknowledges the various diversities within our communities, and as such is committed to providing an inclusive team environment which encompasses adult individuals from a wide range of:

- cultural and religious backgrounds
- individuals with limited abilities
- differing sexual and gender alliances

ASA members are advised of dragon boating opportunities via email with DragonboatSA and ASA, and are supported in attending external workshops/training opportunities which promote equal opportunities within a club setting.
