Is this the right trip for you?

- This itinerary features some long travel days.
- South-Africa temperatures rise in the summer months, before the rain comes to 34 - 38° C, but in the winter can become just as cold.
- What you see on your trip may not be the same as seen by other or in pictures, due to it being a seasonal destination and migratory patterns of animals are not interrupted by fencing.
- As the early bird catches the worm, there might be a few early mornings starts to make sure of best safari times or to miss morning traffic on long travel days.
- This trip is mainly lodging in 2-4-star facilities that complement the setting and location we are in. All the chosen facilities were visited and inspected beforehand to make sure it is up to our standard.

Itinerary:

Southern-Africa is becoming increasingly popular. It is becoming increasingly difficult for us to allocate and confirm a big group at our usual suppliers. We may make use of alternative facilities in this case. But rest assured that they too were picked out by hand and inspected to make sure it is up to our standards and no included activity will be affected. This may however affect distance and driving time listed below the day-to-day itinerary.

Kruger National Park: PTA – PTA (12/2)

Day 1: Pretoria - Graskop

Our adventure begins around 5 am from Town Lodge Menlyn Pretoria, listed on the last page of this document. We plan to follow the N4 via Dullstroom & Lydenburg. We travel over the Long Tom Pass to arrive at Pilgrim's Rest at noon. Furthermore, we travel through the Panorama route to spend the night in Graskop.

Meals included: Dinner

Day 2: Graskop - Hoedspruit

Further through the Panorama route we visit highlights such as the Three Rondawels, God's Window and Bourkes Luck in the Blyden River. Our route also takes us through other parts of our beautiful country before we go to Hoedspruit where we spend 2 nights there. If we still have time, we take an afternoon drive into the Kruger National Park.

Meals included: Breakfast & dinner

Day 3: Timbavati – Kruger National Park

After another delicious breakfast we make our way into the Kruger National Park. We are going to take several paths to watering holes and rest camps in search of the famous big 5, but also looking for the little things. We returned to the Lodge before sundown.

Meals included: Breakfast & dinner

Day 4,5 & 6: Kruger National Park

After a hearty breakfast we head into the park where we will be enjoying all the Kruger National Park has to offer. We are going to make various stops at waterholes to seek out and take the diversity of wildlife as well as bird life. We spend the next 3 nights in Malalane.

Important to note:

- Single supplement is available in a very limited number due to the number of rooms available. Please contact the office via email (info@namakwatoere.com) or phone (+27 272 191 633) to confirm if we have space available before a single booking is made.
- Single bookings can always be changed to a double/twin booking if you decide to bring a friend/partner along. A full refund will be made for the difference between sharing and single en case full payment has been received. No administrative fees will be charged.
- When booking a flight from our end destination, please consult the office via email or phone to make sure that you do not book a flight (or other transport arrangements) to early.
- The office will be able to assist in making bookings for flights and shuttles. Please note that we do not receive any flights at discount rates. This is just an extra service we offer to make booking your holiday easier. No administrative fee will be charged to this service.

Road conditions and infrastructure in:

Road in and throughout Africa are often in poor condition, which makes it hard on our vehicles. We take great pride in our bus and ensure it is serviced regularly and is in a good condition, but breakdowns do happen. Some of the roads we travel are long, full of dust and not exactly smooth sailing. This means that the travel time indicated is just a rough guide and dependant on various factors that are not always in our control. We know that it can be tough, but the destinations at the end of the day are extraordinary!

Medical & health information:

Travellers, old and young are required to be in good health to participate fully on this trip. We expect of all travellers to read carefully through the program and asses you on the stress of activities mentioned in the day-to-day program. If in the opinion of our tour guide or leader, any traveller is unable to participate in activities or on the rest of the tour; they reserve the right to exclude them from the activity or tour at any stage, without refund. The appropriate documentation will be provided for travel insurance.

We insist that when over the age of 75 you consult a doctor for an opinion on your travel to a particular country and /or location. We recommend that you carry your own small first aid kit containing personal required medication and an extra pair of reading glasses. Rehydration salt, motion sickness tablets and diarrhoea blockers are also advisable to have on hand.

DRINKING WATER

As a rule, we consider all tap water to be not suitable for human consumption, as it may contain different levels of minerals of bacteria than the water your stomach is used to at home. Your body may not be used to this, and it can cause illness. It will upset your stomach and it will spoil the rest of your trip.

What happens when Namaqua Tours cancel a tour?

- The tour will only take place for a minimum of 10 people.
- Namaqua Tours undertake not to cancel any tour as far as possible. If it should ever happen that we must cancel a tour, (**excluding** Covid-19 related reasons) we shall refund your money within 24 hours plus 10% interest per year.

How do I book a tour at Namaqua Tours?

- When you have decided to book one of our tours, complete the application form on the last page of this document. Then e-mail it to our office. You can also do a booking over the phone for fast and certain bookings. Feel free to contact us on +27 272 191 633 for a telephonic booking. We shall then do the rest (hotel and flight bookings if indicated as such by you). You will receive a tour reference number and the bank particulars of Namaqua Tours. **This reference number must appear on your deposit slip.** This tour reference number must also be indicated on all correspondence regarding the tour that you booked.
- We DO NOT supply bank particulars without a booking form. The only reason for this is that tour members deposited money in the past without a tour reference number and that they did not do a booking per fax or e-mail. It has happened that prospective tour members deposited money, but that that specific tour was already fully booked.

We begin each morning before we ride with a prayer, and trust in the Lord for a safe and soul-enriching tour.

Kind regards

Namaqua Tours Team
