## Almost there

**The Island Model** - *Homo sapiens Isolatus* has now also been translated into Spanish and is currently in the final stage of proofreading. We are still looking for generous donors to support the final process of publishing this book. The next steps are formatting into kindle, eBook, and printed paperback. We need help in financing this step to finally publish this life-changing, logical, easy-to-read, and easy-to-apply piece of literature.

## The Inverse app

We developed the **INVERSE** app. We created INVERSE based on *The Law of Resonance*. INVERSE enables humans to break free from the mindset and beliefs of limitations that the vast majority place on themselves. With the INVERSE method, and by using the app, humans gain empowerment which enables them to begin experiencing a kinder quality of life. We are looking for contributors to help market the app on social media to a wide audience.

## 67 countries

We are excited to report that the **Bald and Blonde Mindset Evolution Podcast** achieved yet another milestone: The podcast now has listeners in **67** countries. Last week we recorded the 100th episode! We appreciate all the contributions to date. We urgently need more support to remain ad-free. In order to achieve our "ad-free" goal, we wish to receive donations to continue producing episodes regularly and of the highest quality.

# Thank you

## We Thank You - from the bottom of our hearts

We are filled with **joy** and **gratitude** for all the support we receive from you. Without **you** we could not be doing what we are doing.

Sharing our vision with you of making education available in the fields of self-development to all interested and in need is elemental and essential alike. We are one human family and it is high time for all of us to remember, *re-member*, meaning: Becoming a member of humanity, and what it truly means to be human again, and behave accordingly. We know that is the point in time when **we** together make Earth a better place.

Please, continue spreading the word of our vision and mission. Together we are the change we want to see in this world, in this lifetime. Thank you for your kind consideration and for generously continuing to contribute to the ***Daisy Papp Mindset Evolution Foundation***.

# Our promise to you

## Our Promise = Our Commitment

We are committed to our vision in making this place, our lovely and beloved home **Earth** a better place for all of us, including future generations. Being aware of how little we know it is our quest to gain more knowledge every day. We promise to remain unstoppable and keep progressing step by step. Our love for humans is inexhaustible. We support **all** members of the **one human family** and stand for integrity and transparency.

With your contribution and support, you're joining the cause to empower humans to gain knowledge about **how to** be human. We matter. You matter. We all matter. Imagine a world where we are at peace with ourselves, peaceful from the inside out. Each and every one of us. Imagine the near future filled with the knowing of us all being meaningful human beings, living meaningful lives.

**We are committed.** Are you?
