## The 2nd Week of Advent: The Week of Hope

The Bible talks about hoping and waiting. Romans 8:25 says, "But if we hope for what we do not see, we wait for it with patience." So hoping might also mean having patience because the things we hope for don't always come to us right away.

#### Virtue of the Month - Patience

We all know what it's like to wait for our turn in a game, for the results of a test, for an expected call, for Christmas! But how often do we wait patiently, without complaining? The Catechism of the

Catholic Church lists patience as on of the fruits of the Holy Spirit. Patience allows us to control our emotions when something disagreeable happens. "I waited patiently for the Lord, and He inclined to me and heard my cry" (Psalm 40:1).
