2023-2024 Tuition Calculation

Student Name	Minimum Tuition Requirement	*Additional Tuition	Total Per/Student Due
This is the total amount of tuition I agree to pay for the 2023-2024 school year. This amount will appear on my family's statement.			

**This is tuition paid above the minimum requirement. All tuition paid will be recorded on your tuition tax receipt sent to you at year end. Although the parish generously subsidizes student tuition, prayerfully consider your ability and willingness to offer additional tuition above the minimum requirement.*

The total annual per/student tuition will be billed quarterly (May – August). Payment is due by the 1st date of each school quarter according to the current school year calendar. Quarterly Invoices and Statements will be emailed. Preschool tuition will be billed monthly with payments due the 1st of each month.

Parents/Guardians who withdraw their child(ren) during the school year are responsible for the payment of tuition for the portion of the school year the student(s) enrolled.

St. Anne's School works in partnership with parents in support of educating our students. Parental support is necessary for success of these efforts by: helping students build healthy priorities with schoolwork, staying informed about events and activities, ensuring prompt and consistent student attendance, communicating proactively and respectfully with administration, staff and teachers, attending conferences, and supporting the mission, policies and expectation of the school.

In signing this Enrollment Agreement, parents and students consent to be governed by the payment policies and rules set forth in this Agreement and in the Parent-Student Handbook.
