Parent-teacher Conferences

Thanks for joining us this week during conferences. This was such a wonderful opportunity to discuss your child's development and learning and to work together to make a plan for continued growth. Please feel free to contact your child's teacher or Mrs. Franta at any time in the future if you have suggestions, comments or concerns. And we really appreciated the lovely dinner and decorations prepared by the parent group! Sure made us feel special.

Virtue of the Month – Studiousness

We've all heard the saying, "Curiosity is a virtue". But St. Thomas Aquinas would argue that curiosity can be a vice if used poorly. It becomes a problem when we pursue something that we should not or need not know. Social media, the internet and streaming apps are designed to keep us coming back for more and as a result, we may spend aimless hours gaining knowledge of little importance. Studiousness is intentional; bringing our minds closer to God and the Truth. The next time curiosity strikes, think - should I be doing something else – work, spending time with family, praying – instead of satisfying this superficial urge to know?

A New Dimension to our Scrip Gift Card Offering!

The gift card program allows you to purchase gift cards for hundreds of retailers, local and nationwide. These retailers then kickback 1-15 percent of each card purchased. A variety of cards are available here in the office while many more can be ordered. A full list can be found on our website. Now, you can also purchase cards immediately through the scrip app. If you need a refresher on how to set up the app, contact the school office. **If you request, 1% of cards you purchase may be applied to your tuition.**
