Enter to Learn Christ, Exit to Serve Christ

October 25, 2023

All Saints Day – Nov. 1

All Saint's Day falls on Wednesday this year. Students and staff will attend this Holy Day of Obligation with school Mass on Wednesday morning instead of Thursday. In the afternoon, the 6th grade students will host the annual "All Saints Day" party where each student creates a saint-themed carnival game.

Virtue of the Month – Studiousness

Practicing the good habit (virtue) of studiousness is not always easy, especially when our curiosity about unimportant things consumes our time.

In those time, ask for help through prayer. Jesus, you created us in Your image and likeness, with an intellect that can know the truth. Help me use my time and talents to deepen my understanding of the truth and to love it more deeply. May I see a glimpse of You, who are the source of all truth, in everything I learn and study this day. Amen.

Flu Shot Clinic

St. Anne's along with the public school will be offering a flu shot clinic by CentraCare on November 1. Please fill out and return all 3 sheets per child **tomorrow** morning. (forms were sent home 2 weeks ago) and available on our website.

Basketball Season is Near

An instant alert was sent to parents of students in grades 3-6 regarding the upcoming basketball season. As we begin to plan and prepare, it's important to know the number of participants. The text alert included a link to a Google survey. Please complete this short form by Friday.

Colder Weather Fast Approaching

As the cold weather creeps in, be reminded that students will spend recess outdoors most days. That time outdoors will be more enjoyable with jackets, hats, mittens, appropriate for those temperatures. Once snow arrives, students in grade K-3 must wear snow boots and snowpants not only for warmth, but to protect shoes and clothing from getting wet or muddy.

New Building Campaign Update

We are thankful to those who have already offered their financial support to help build a new school building. You have invested in the future of your children and grandchildren who will greatly benefit from the new space, in ways never imagined. You are also helping to set the stage for our Catholic education programs to thrive for the next century of service in our Area Faith Community.

Having reached \$6,200,000 or 51% of our financial goal, we are now on the downward side of the journey. Raising the last 49% will be a challenge, but we must proceed with our prayers, our invitation to those who have not responded, and to those who have never been invited.

Informational packets have been distributed to parishioners at weekend Masses over the past several weeks. If you did not receive yours or are not a St. Anne or St. Catherine parishioner, your blue folder is being sent home with your child today.

A New Dimension to our Scrip Gift Card Offering!

The gift card program allows you to purchase gift cards for hundreds of retailers, local and nationwide. These retailers then kickback 1-15 percent of each card purchased. A variety of cards are available here in the office while many more can be ordered. A full list can be found on our website. Now, you can also purchase cards immediately

through the scrip app. If you need a refresher on how to set up the app, contact the school office. **If you request, 1% of cards you purchase may be applied to your tuition.**
