

FUSHIA DESIGN

Property Staging, Styling,
Interiors & Sourcing

Fushia Design Newsletter - August 2022

Hi everyone

In true British form, I'm going to start with the weather, and oh my goodness, what an absolute scorcher of a summer we've been having. I hope you've all been finding ways to keep cool and enjoy some of that sunshine before the thunderstorms started.

What have Fushia Design been up to this summer?

We've been transforming homes with our usual finesse
Assisting the sales to go through with success
Spent time at the dentist though not in the chair
But preening reception with full Fushia flare
Blenheim Palace was rocking and fine
With the great UB40 and Red Red Wine
Like everyone else I have tried to stay cool
Maybe some staging around someone's pool?

There's stunning properties, beautiful homes and then there's The Copse Country House!

What an absolute treat this was to stage ready to put on the market with Natalie of Kai Carter Estates.

As always a great team to work with - photos by Miriam Sheridan.

The Woodborough House Dental Practice refurb project is complete.

What a pleasure it was to work on and I'm delighted to say there have been many positive comments from both patients and staff. Special thanks go to Dr. Sarah Fitzharris.

Away from work, much fun was had at Blenheim Noctures Live where I saw UB40 and then at Wembley Stadium, for the outstanding Cold Play.

Both bands were quite brilliant and Blenheim Palace is a fabulous venue if you ever get the chance to go.

Red, red wine for anyone?

However, not everything went to plan for Fushia Design.

These classic candles purchased for a staging project were sad victims of the heatwave!

With summer nearly over now and plans for autumn in full flow, I look forward to catching up with you all again soon.

Until next time,
Cheerio
Fiona

Enjoy what's left of the summer, I will catch up with you all again in the autumn.
