Favorite Gender Lens Investing Resources

Coralus (formerly SHEO)

<https://coralus.sheeo.world>

A global community of radically generous women + non-binary folks working on the world's To-Do list.

Gender Smart

<https://www.gendersmartinvesting.com>

Gender-smart investors recognize that financial systems engage with and benefit men, women, trans and non-binary people differently, and use finance as a tool to promote gender equality.

Pipeline Angels

<https://pipelineangels.com>

Changing the face of angel investing and venture capital, and creating funding for trans women, cis women, nonbinary, two-spirit and gender-nonconforming founders.

Backstage Capital

<https://backstagecapital.com>

Less than 10% of all venture capital deals go to women, people of color, and LGBTQIA+ founders. Other VCs see this as a pipeline problem; we see it as the biggest opportunity in investment.
