OWTP300(T)	550	22	2.2	3.0	585	572

"OWTP300 can be connected only to a supply with system impedance on more than 0.181ohm. In case necessary, please consult your supply authority for system impedance information."

Mineral Perfect RAPID FLOW pumps are so quiet that you may not even notice it is running. It is rated at 61dB at 1 meter distance.

The Wet-end component is constructed from corrosion and UV resistant engineered plastic for long operation life with built in over-heating and overloading protection.

A Unique AC bearing technology allows for effective power delivery, resulting in an optimum flow rate for quick water turnover. The Extra-large basket allows for long intervals between cleaning.

The Mineral Perfect RAPID FLOW comes complete with a 3 year warranty on the pump and 1 year warranty on the O-Ring and mechanical seal. Refer to Installation and Operating Manual for full warranty details.
