Location: Mount Vernon Canyon Club

BOE CE Course Number: 2023-01-052-A

Time: 8:30am-4:30pm

Total CE Hours Awarded: 6 hours

Title: AWRA-CGWA Annual Symposium - From Planning to Action: Solutions to Colorado's Water Issues

Agenda: [2023 Symposium Agenda.pdf](#)

Description of Activity:

Colorado's water planning efforts have paved the way for a multitude of creative strategies and innovative solutions being implemented across the state. This year's symposium focuses on those solutions and the path taken to get there. Presentations will focus on projects helping to solve Colorado's water issues.

The event will include a full day of engaging and educational content, AWRA Colorado scholarship winner presentations, opportunities for networking and happy hour, silent auction, and keynote presentations.
