# OUR STORY

*Rediscover the art of fragrance, but this time with an ethnic and traditional flair. Originating from the United Arab Emirates, the land of indulgence and luxury; these perfumes exude pure decadence and Arab culture. The magnificent scents are created combining the best French and Oriental notes by renowned perfumers across the globe to provide the user with the most luxurious experience. The exclusive combinations are addictive and keep the senses wanting more. Founded in 2002, ABC Fragrances has been working day and night to let you experience the sensuality that their meticulously selected fragrances can provide. Al Wataniah will leave an unforgettable impression; the perfect spritz will leave you feeling like royalty worthy of a palace of your own...*
