

Here's what Par for the Cause sponsors - including those who just donate gift cards or gift bag items - receive:

- \$100 hole sponsors will be acknowledged with signs put up at one or more tee areas. These will not include company logos, just the name of the contributing individual or business. They will be put up before the tournament begins and taken down after lunch, then put up again within the next week on the lawn at First Presbyterian, a busy intersection.

We also will list hole sponsors on our website and social media posts.

- All sponsors from Bronze (\$500) up will be listed on a banner that will be put up at the tournament and later on the lawn at First Presbyterian and then at the YMCA. They also will be listed in material handed out to golfers at the event, on the website, in church social media, on our online auction and verbally announced during the luncheon. If they submit their logos in a usable format, we'll display those.

In addition:

- Bronze Sponsors receive a sign at one hole and one golfer entry.
- Silver Sponsors (\$1,000) receive a sign at one hole and up to two golfer entries.
- Gold Sponsors (\$2,500) receive a sign at one hole and up to four golfer entries.
- Tournament Sponsors (\$5,000) receive special recognition on our banner and other signage, signs at two holes and up to eight golfer entries.
- After the tournament, sponsors will receive an individualized mailing that includes a specific description of what they contributed for tax purposes.
