Jesus | Faithfully
TOGETHER

But DIG Refresh is about more than just our Kindergartners through fifth graders. It is about everyone else, too!

Every time we baptize a child at our church, we promise to support the child and parents in becoming faithful followers of Jesus Christ. DIG Refresh is one more opportunity for all of us to fulfill those baptismal promises.

You can join us in keeping that promise by serving as a:

- ◆ **Shepherd** building relationships, and sharing Bible Stories
- ◆ **Station team member** at one of the stations for 3—4 weeks
- ◆ **Substitute** as the need arises

DIG Refresh crew members gather Sunday morning following worship at **10:30 AM** in the Sanctuary.

Shepherds will walk your children to Rooms where we will start at **10:40**.

Grades K,1 - Room 215

Grades 2,3 – Room 214

Grades 4,5 – Room 212

Families pick up children from the **Sanctuary at 11:30 AM**

While YOUR children are at DIG Refresh, take time to refresh yourselves during Fellowship and/or Adult Faith Formation.

Faith Formation
Kindergarten
through 5th Grade

Living out the faith is our call. Let's explore practices Jesus did and taught us so we can be faithful followers. We will DIG into the Bible where these practices are found and experience how they have been used in Christian faith then and now.

Sundays

10:40-11:30 AM

October. 3, 2021 - May 23 2022

ONE Church

Following | Living
Jesus | Faithfully

TOGETHER

Join us for an energetic approach to Sunday morning faith formation for children in Kindergarten through fifth grade that will actively engage children in a safe place as they grow their faith.

It is named DIG Refresh and will take place Sundays from 10:40 -11:30 a.m. Gathering time is 10:30 in the Sanctuary. Our church, including DIG Refresh will be guided by *Follow Me: Biblical Practices for Faithful Living*. You will see this theme emerge in worship, study, service and fellowship. Family faith conversations will have a common ground across all ages and stages.

Let's jump on board:

**One Church
Following Jesus
Living Faithfully
Together!**

In a snapshot, here is what DIG Refresh will look like.

Participants, known as the DIG Refresh Crew, will begin each Sunday following worship. Shepherds will be located in the Sanctuary ready to welcome your child(ren) by grade level. Look for your child's grade level sign.

Then they will head off to one of three age group specific locations. There, Shepherds and children will participate in an opening ritual, learn about a faith practice, and find it in the Bible. Then each age group will be visited by a station team who will focus on the same biblical story or text each week emphasizing the practice and how Christians lived it for centuries and we live it today.

DIG Refresh Crew will express themselves through

- ◆ creating with Creation Station Team
- ◆ drama in Holy Word Studio
- ◆ mission with Destination Discipleship Team
- ◆ Rhythm with Spirit Studio Team

Shepherds will return DIG Refresh Crew to the Sanctuary at 11:30 to reunite with families.

Following Jesus is a lifelong journey where we learn and do what Jesus said and did.

The family is a Holy place where children learn of God's love amid the joy, bumps, and curves of life. Beginning with Worship, our goal is to equip and support families with faith forming experiences so that families and their children can live a Jesus-inspired life spreading love, seeking justice, and serving others.

DIG Refresh is one way to help children and families prepare to practice Biblical Practices at home.
